EDUCATION

UNC-Chapel Hill, North Carolina – *Certificate*

March 2023 – August 2023, Online

I am currently enrolled in the Full Stack Coding Bootcamp with UNC-Chapel Hill. Throughout the course, I have worked with technologies such as HTML, CSS, JavaScript, React, Bootstrap, APIs, Node, Express, MySQL/Sequelize, Mongoose/MongoDB, REST, and GraphQL. These technologies I have learned have allowed me to create full-stack web applications that can be viewed on my GitHub portfolio.
